# SUSHANT KUMAR

## Web Developer

Dehradun, Uttarakhand | +91-7888428405 | isushaant@gmail.com

linkedin.com/in/sushannt    github.com/sushannt    sushannt.netlify.a

### CAREER SUMMARY:

As a proficient MERN stack developer, I offer expertise in JavaScript, React.js, Node.js, MongoDB, Redux, Astro, and Vue. With a passion for problem-solving and innovation, I thrive in a challenging role as a MERN Developer. Eager to contribute fresh perspectives and drive impactful results, I am committed to continuous learning and growth in the tech industry.

### WORK EXPERIENCE:

#### Can Technologies Pvt. Ltd.

Web Developer Intern | September, 2023 - Present

- Developed Dashboard Web Applications for inventory management using React.js and Redux.
- Designed intuitive user interfaces for seamless navigation and clear visualization of inventory data.
- Integrated backend APIs to fetch and update inventory data, utilizing asynchronous requests with Axios.
- Ensured responsive design, enabling optimal user experience across various screen sizes.
- Implemented error handling mechanisms to gracefully manage and display error messages.
- Utilized Git for version control, following best practices for branching, committing, and merging code changes.

### PERSONAL PROJECTS:

#### MyShop: an e-commerce store

Live Project link: <https://my-shop-isushaant.vercel.app>

- Created an e-commerce website using React.js and Redux Toolkit with RTK Query.
- Integrated dummyjson for generating API data and managing authentication.
- Implemented search functionality and add-to-cart feature for seamless product browsing and purchasing experience.
- Enhanced user experience with responsive design and optimized page loading.
- Utilized Keep-React library for state management and UI components.
- Leveraged Redux Toolkit for efficient state management and data fetching.
